

PRIVACY POLICY

Force Home Services respects the privacy of individuals who visit our Web site, send us an e-mail, or participate in features/services we offer online. Our policy regarding online privacy uses the following guidelines.

Force Home Services maintains a "no-spam" policy. The information we collect is to give our visitors a better experience on our web site. We make efforts to avoid unnecessary collection of data. Force Home Services will not share any information you've provided to us with anyone without your consent other than to provide the service you've requested.

Non-Personal Identifiable Data:

When you visit our web site, we may gather certain non-personally identifiable information like the type and version of your browser, your internet service provider, your IP address and any search engine you used to find the Force Home Services web site. We use this information to help diagnose problems with our server, administer the web site, and compile general statistical data. We also gather information about what pages you go visit on our web site. This information helps us to determine which areas of the web site are most frequently visited and helps us to tailor the site to the needs and interests of our online visitors. The information is gathered by us as a total and will not be associated with a specific individual without that individual's consent.

Information Voluntarily Provided:

Any information you provide to us (i.e. name, e-mail address, etc.), request information, or use any of the other interactive portions of our web site, is securely maintained. This information is used to fulfill your request for information about Force Home Services, our products and our services, or to provide you with special announcements. You may opt out of receiving all communication from us at any time.

Disclosure of Personal Information:

Force Home Services understands the importance of your privacy. We do not sell or trade consumer information to third parties, other than as defined below, and at no time without your permission.

Agents:

Force Home Services may use other companies and individuals to perform certain functions on for us such as managing e-mail services and running special promotions. Those companies only have access to the personal information needed to perform these functions and may not use or store the information for any other purpose. Subscribers or site visitors will never receive unsolicited e-mail messages from companies working on our behalf.

Compliance with Law/Safety:

Force Home Services may provide specific personal information based on a good faith belief that sharing the information is necessary to comply with or conform to the law or is necessary to protect the users of our web site, the site itself, or the public.

External Links:

Our web site may contain links to other sites. Force Home Services is not responsible for the privacy practices or the content of such Web sites. To protect your privacy, we advise that you review the privacy policy of any site you visit via a link from our web site
